INSTITUTE OF DIRECTORS

Institute Of Directors (IOD) was established in India on 12 July 1990, as an apex association of Corporate Directors under the India's 'Societies Registration Act XXI of 1860' to improve their professional competence. It has since grown to associate with more than 31,000 senior executives from Govt., PSU and Private organisations. IOD organises a number of international events each year, in India and certain other select countries.

From the personal development of directors, IOD soon embraced the role of Corporate Governance and Boardroom Development, followed by organisation-wide transformation as a whole. It consolidated its position further through MOUs, with related associations globally. IOD publishes a number of professional books, handbooks, and periodicals throughout the year, to keep the directors updated.

IOD's '**Masterclass for Directors**' covers training in corporate directorship, and '**Golden Peacock Awards**' in 15 different corporate disciplines, and other flagship initiatives aim to improve the competitiveness of individual directors and their organisations. The 'Masterclass', is a condensed programme for top management and also prepares participants for the role of Independent Directors of companies. No business award today, receives the kind of recognition and adulation among peers that Golden Peacock does. Both have become global benchmarks.

IOD's has also setup a special wing called '**Organisation for Non-Executive Independent Director**' (ONEID), mandated to look after the training, placement and networking of Independent Directors. IOD's '**Board Research and Advisory**' wing provides specialised advisory services in the areas of Board & Directors' Performance Evaluation and Corporate Governance Compliances.

IOD's activities extend from training, publications, and monthly lectures to workshops and global networking through national and international Conventions, on issues such as Risk Management, Corporate Ethics, Leadership, Quality, Environment, Climate Change, Occupational Health & Safety, Corporate Governance, Cyber Security, Competition Law, Sustainability, Corporate Social Responsibility etc.

OBJECTIVES

- To maintain and enhance professional skills and knowledge of Members in the field of Corporate Governance on a continuing basis.
- To set, maintain and advise on regulatory compliances, to ensure professionalism among the directors.
- To update and keep Members informed on relevant current laws, rules and court rulings.
- To organize conferences, seminars and training programmes on corporate matters.
- To publish professional books, handbooks & other literatures on subjects of interest or benefit to the Members.
- To provide facilities and services for Members, including information services, library etc.
- To advance the professional interests of Members.
